Locker Rental Agreement Guidelines

This agreement entitles the renter to store one bicycle and related bicycle equipment, such as helmet, pump or lock, in the designated locker for the designated time period. This agreement expressly prohibits use of the designated lockers for storage of non-bicycle related equipment. If items other than those noted previously are stored in the locker, this agreement will be terminated. Upon such termination, the City of West Palm Beach has the right to empty the locker of any property stored in the locker. Any renter whose agreement has been terminated is prohibited from renting a bicycle locker for a period of one year. SFCS and the City of West Palm Beach reserve the right to inspect lockers with or without notice to the renter to ensure if necessary, that only a bicycle and bicycle related equipment is kept in the locker.

SFCS and the City of West Palm Beach are not responsible for fire, theft, loss or damage to the bicycle or any other items left on a locker, and are not liable for any injury, loss or damage arising from the use of any assigned lockers. It is the renter's responsibility to ensure the locker is secure at all times and to report any damage or malfunction of the assigned locker to SFCS. If the locker becomes unusable due to circumstances not related to renter misuse, the renter will be allowed to use another locker if one is available. **In the event of key loss during the rental period, the renter will be charged for a lock change and new keys.**

Termination/Cancellation

In the event that you wish to terminate this agreement, please notify South Florida Commuter Services (SFCS) in writing by mail or fax or by email to sfcs@1800234ride.com and return the locker key to the City of West Palm Beach Parking Department at 500 Banyan Blvd., West Palm Beach, FL 33401.
